Session 10 (8/24): Website Publication

Parent's Night (TBD): Presentation of All Websites

Missed Sessions can be replaced with private tutoring

When and Where:

- Location: 3116 Wilmette Ave, Wilmette, IL 60091
- Time: 11:00 AM

What to bring:

- Laptop (Let us know if you do not have one)
- A positive attitude & eagerness to learn

Weekly Assignments:

Since this is a very fast course, we will be having weekly assignments for each child to practice and complete for the next session. Please allow time during the week, at least 30 minutes, for them to show what they have learned and apply it by completing the homework. I will be making calls to each parent once a week to confirm and discuss each child's growth and understanding of the material.

Snacks will be provided so inform us of any allergies.
